## OUR CLAIMS PROCESS

If one of your pets suffers an illness or accident, SALAMA Pet Insurance is here to help. Our claims process is simple and straightforward so you can relax and focus on what matters most, the health of your pet.

For the quickest resolution of your claim, follow the steps below:

### At the Vet's Office:

1. Make note of your vet's contact info. You'll need it later when you file your claim.
2. Gather all medical records from your vet, including your pet's medical diagnosis and any notes associated with it. If it's your first claim with us, please provide medical records, vaccination card from the past 12 months (including adoption records if applicable).
3. Ask for a copy of your invoice and an itemized receipt.
4. If the veterinary clinic is submitting the claim to [petclaims@amnly.com](mailto:petclaims@amnly.com) on your behalf, then you are not required to follow the next steps.

### After Your Pet Is Home:

1. Attach all medical records and vet notes, along with invoices and itemized receipt.
2. Submit your claim via email [petclaims@amnly.com](mailto:petclaims@amnly.com).
3. Make a copy of your paperwork to keep on file.

That's it! Remember to submit your claim within 15 days of your pet's vet visit, and if the claim is covered, you'll receive reimbursement by check or direct deposit – most claims are processed in less than 10 days.
